STEERING

Type	Power assisted rack & pinion
Turns	2.7 lock to lock
Turning circle	10.4 m

BRAKES

Type	Front discs and rear drums. Power assisted with pressure-reducing valve on rear circuit to avoid risk of wheel lock up.
------	---

WHEELS

Type	Alloy 6J x 14, 5-stud fixing
------	------------------------------

TYRES

Type	Steel-belted radials, 195/70 HR 14
------	------------------------------------

CAPACITIES & WEIGHTS

Fuel	66 litres
Luggage, seat up/ seat down	0.34 m ³ (12.3 cu. ft.)/1.24 m ³ (44.0 cu. ft.)
Underfloor stowage	0.06 m ³ (2.1 cu. ft.)
Vehicle in working order	1428 kg
Max. laden weight	1915 kg
Max. towing weight (trailer with brakes)	1524 kg

DIMENSIONS

Length	4723 mm
Width	1768 mm
Track, front/rear	1506 mm/1506 mm
Wheelbase	2815 mm
Height (unladen)	1406 mm
Ground clearance (laden)	162 mm

DEALER NAME

EQUIPMENT

EXTERIOR

Front spoiler
Front fog lamps
High pressure headlamp wash
Side rubbing strips
Black window frames
Lockable fuel filler
Rear fog lamps
Rear wash/wiper
Mudflaps front & rear

Fan-spray windscreen washers
Electrically-operated and demisted door mirrors
Integrated front side window demisters
Front door-open warning lights
Four inertia-reel seat belts
Warning lamps for low fuel, brake pad wear and bulb failure

ANTI-CORROSION TREATMENT

Key panels constructed of galvanised steel
Pressure-ventilation system through door sills
Epoxy primer applied in cathophoretic bath
Anti-chip compound on sills and wheelarches
Clear varnish applied over metallic paint finish
Final wax/bitumen underside seal

Important Notice

Jaguar Rover Australia offer this brochure as a general guide to product specifications of the Rover 3500. All data presented in this brochure is believed to be correct as at May 1985. However, as development is an ongoing process, changes may occur from time to time which will not necessarily be reflected in this brochure. Therefore, Jaguar Rover Australia reserve the right to change specifications without notice. Accordingly, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for sale of any particular vehicle. Dealers and Distributors are not agents of Jaguar Rover Australia and have absolutely no authority to bind Jaguar Rover Australia by any express or implied undertaking or representation. Rovers are distributed by Jaguar Rover Australia, a division of JRA Limited (incorporated in N.S.W.)

The Mark of Quality

A unique Customer Assurance Programme which provides the purchaser of any new Rover 3500 SE with:

- Full Factory Parts and Labour Warranty for 2 Years or 40,000 kilometres, which ever occurs first from the date the car is first registered.
- Plus we undertake to pay the labour costs of regular maintenance, as set out in the owners handbook, for 3 years or up to and including 40,000 kilometre service, which ever occurs first.

IMPORTANT: Some items related to normal wear factors or classified as additional service operations are not covered by warranty or the maintenance plan. Full details are set out in the Rover 3500 SE Mastercare Handbook.
