

PEUGEOT 505 FAMILY WAGON.

PEUGEOT 505 FAMILY WAGON.

There's only one family wagon that safely carries 8 people.

There's only one family wagon that safely carries 8 people facing forward.

There's only one family wagon. The Peugeot 505.

Designed and engineered as a "safety cell". Safety for all the family:

From the wrap around impact absorbing bumpers to anti-burst door locks.

From the twin side impact beams to the integral roll-over cage.

From the master emergency warning light systems to power assisted brakes.

Comfort for all the family:

From the climate control air conditioning that cools or warms even the back seat passengers, to the anti-theft coded AM/FM digital stereo radio cassette player with 4 speakers for 8 people.

From the driver's seat with lumbar support to all seats with the deep support of velour and foam cushioning.

From the tinted side and rear glass to the central locking for all doors (plus tailgate and fuel filler).

The Peugeot 505 Family Wagon has the power to get you out of trouble, the handling to avoid trouble and the road manners to minimise trouble.

Whether you're on an expressway at cruising speed, or navigating city traffic at school time. Peugeot 505 Family Wagon. Forward thinking.

PEUGEOT ASSURANCE PLAN.

Almost one third of all the steel used in a 505 Family Wagon is either galvanised or zinc electro-coated.

This ensures your 505 Family Wagon looks good in the places you don't see as well as the places you do.

Peugeot has a 6-year anti-corrosion warranty and a 12-month unlimited distance guarantee on all parts and labour.

Peace of mind. That's what owning a Peugeot is all about.

SPECIFICATIONS.

ENGINE.

Cylinders	4, in-line
Material	Alloy block and head. Removable wet cylinder liners
Capacity	2165 cm ³
Bore/Stroke	88/89 mm
Compression Ratio	8.8:1
Max. Power	87 kW @ 5000 rpm
Max. Torque	177 Nm @ 3500 rpm
Induction	Bosch L-Jetronic electronic fuel injection
Ignition	Fully transistorised, breakerless

TRANSMISSION.

Manual	5 Speed
--------	---------

SUSPENSION.

Front	Independent — coil springs, struts, double-acting shock absorbers, anti-roll bar
